This directory is intended as a service to facilitate communication and fellowship among non-denominational Churches of Christ in Australia. Given the self-governing and organic nature of these congregations, this directory isn't an exhaustive or authoritative list.

Church details can change quickly and the directory relies on regular updates to stay current. So, if you've got updated information, please share it with us (info@klesis.com.au). Similarly, if you're visiting congregations and using this directory then it's a good idea to confirm meeting times and venues beforehand. On our part, we'll do our best to respond in a timely way with the updates you send to us. We'll also personally check with each of the congregations listed at least annually to see if any details require updating.

*“May the grace of the Lord Jesus Christ, and the love of God,
and the fellowship of the Holy Spirit be with you all.”
(II Corinthians 13:14, NIV)*
